Notice and Access

As permitted by Canadian securities regulators, CanAlaska is using 'notice and access' to deliver the materials for our 2024 annual general meeting of shareholders (the "**Meeting**"). We are providing you with access to the 2024 Management Information Circular (the "**Information Circular**") dated August 28, 2024, and other related materials online instead of mailing paper copies. **These materials are available at: <https://www.canalaska.com/agm-2024/> or www.sedarplus.ca.** Notice and access is a more environmentally friendly and cost-conscious way to deliver our meeting materials, reducing paper consumption and printing and mailing costs to shareholders.

Enclosed with this notice you will find a form of proxy, or a voting instruction form, as applicable, so you can vote your shares.
